

Endurance™

Tilt Chair

*Unparalleled strength & style.
Complement your Endurance™ Instrument Stand.*

The Reichert® **Endurance™ Tilt Chair** meets the needs of the eye care professional who demands the very best in comfort, style, functionality and durability.

Endurance™ Tilt Chair Features:

- **Premium quality.** Heavy-duty construction provides long lasting performance.
- **Effortless maneuverability.** Counterbalanced 45° tilt and 360° rotation enables any staff member to easily position the patient as needed for different procedures and testing. Raise and lower the chair using the foot pedal, controls on the slit lamp arm, or the stand control panel.
- **No more fluid leaks.** The industrial strength, Swiss designed linear actuator lift mechanism is quiet, durable and maintenance free, with a lift capacity of 500lbs.
- **Easy access.** The stainless steel footrest and upholstered arms rotate upward and out of the way for convenient patient ingress and egress.
- **Maximum patient comfort.** Deep cushions offer a generous seat width, while premium upholstery remains soft to the touch, without sacrificing durability. Color options are available to complement your practice. See www.reichert.com.
- **Peace of mind.** 2 year standard warranty on the chair, 5 year warranty on linear actuator lift mechanism.
