

EVERLIGHT CHART PROJECTOR

EverLight Chart Projector features long-life halogen bulb for up to 2,000 hours of service between bulb changes.

Variable focus objective.

Choice of mounting brackets with yoke.

Single slides incorporating letters, illiterate E's and child's figures.

Accepts all standard, popular American slides.

Slide operable from either side for selection of test.

Selector slide with duochrome test; full and vertical aperture.

Horizontal line selector for projection of single line.

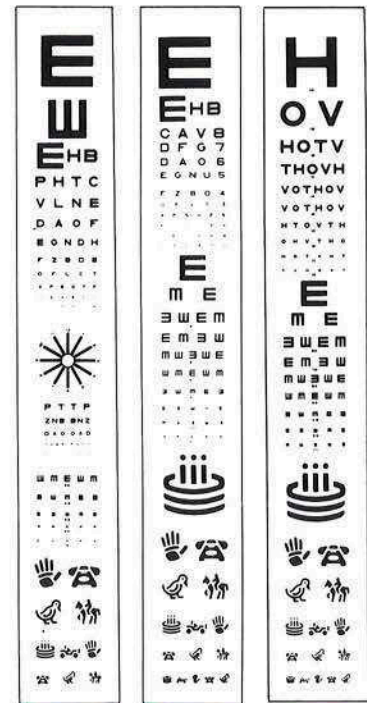

Easy bulb replacement.

The **MARCO EVERLIGHT CHART PROJECTOR** uses a halogen bulb for longer life—up to 2,000 hours under typical use. The Everlight provides exceptionally even illumination over the entire chart field. The variable focus barrel is designed to provide accurate testing of visual acuity at any distance from ten to twenty feet. The Everlight may be used with either a wall, table, or unit mount. It will also accept all major slides, including Marco's Adult, Child and HOTV Recognition Slides.

TECHNICAL DATA

Electrical	Supply 115V AC 60Hz Consumption 50W
Bulb Rating	6V AC 20W
