DELIGHT IN SIGHT

Plug and project forever and ever. No change of lamps. No maintenance.

LED CHART PROJECTOR

TCP-1000

- Maintenance-free LED light
- Sophisticated design
- Programmable display sequence
- Brighter and clearer chart display
- Quick chart selection
- Cyrillic and DIN chart disc available

TOMEY
TECHNOLOGY AND VISION

THE TOMEY LED CHART PROJECTOR TCP-1000

QUALITY IN DETAIL

The Tomey LED Chart Projector **TCP-1000** is designed for durability and efficient operation. Thanks to the cold LED light source the lamp is maintenance-free due to its up to 500.000 hours lifetime. The intuitive remote control allows you to program three customised display sequences. The **TCP-1000** will be delivered including remote control, projection screen and base for immediate use. You can also easily mount the system on your refraction unit or onto the wall.
